📁 PROFESSIONAL EXPERIENCE

● Depot Manager Logistics

Muller & Phipps Pakistan (Private) Limited

Sep 2022 - Present

- Direct complete warehouse management, depot administration, and end-to-end logistics operations.
- Execute strategic placement of stock according to pre-designed storage arrangements (segregation by business type, principle, and batch).
- Lead core inventory management, order processing, execution & distribution, sales operations, and credit policy compliance.
- Manage fleet operations, personnel administration, procurement, depot security, and operational expense control.

● Executive Warehouse Operations & Logistics (PM&FG)

Hilal Care

May 2022 - Sep 2022

- Supervised safe receipt, storage, and timely issuance of Packaging Material (PM) & Finished Goods (FG) to factory and designated locations.
- Maintained **99.99% inventory accuracy** with daily Wall-to-Wall Inventory Record Accuracy (IRA) and monthly reporting.
- Enforced 100% FIFO stock movement, monitored slow-moving SKUs before expiry, and ensured 100% audit compliance.

● Officer Warehouse Operation

Imtiaz Supermarket

Jan 2021 - May 2022

- Supervised inbound and outbound warehouse operations for Oil, Ghee, Milk, and Beverages categories.
- Coordinated material dispatches across **12 Branch units** and 4-day warehouse hubs.
- Participated in SAP S/4HANA WMS module learning certification and active system implementation.

● Warehouse Officer (SAP MM Module)

Abudawood Pakistan (ATCO)

Jan 2019 - Nov 2020

- Operated SAP Material Management (MM) Module: container inspection and Goods Receipt Note (GRN) posting via MIGO command.
- Managed inventory across assigned brands; generated Outbound Deliveries (OBD) in SAP and managed stock shuttles.
- Handled warehouse team management, overtime tracking, expiry tracking, and damage stock management.

● Cashier & Backup I.T Officer (SAP SD Module)

Abudawood Pakistan (ATCO)

Nov 2013 - Jan 2019

- SAP SD Operations:** Handled cash collection, cheque posting (ZPFI_003), petty cash posting (FBCJ), customer credit display (FD33), ledger clearing (F-32), and bank reconciliations (HBL, Samba Bank).
- Backup I.T Officer:** Manual order punching in SAP, order processing via VL10c command, Post Goods Issue (PGI), invoice generation & printing.

● Order Booker

Galaxy Int. (PVT) - Nestlé

Apr 2011 - Apr 2013

- Achieved 100% sales targets assigned by management for Nestlé product lines.
- Ensured complete item availability across retail outlets and managed daily route planning & damage reporting.

● Branch Accountant

Kashf Foundation (Micro Finance)

Jan 2009 - Feb 2011

- Operated Miracle Worker Java-based application for loan planning, expense posting, and installment schedules.
- Performed daily activity reporting, bank reconciliations, and installed/configured computer hardware & OS.

● Store Keeper

ICC (PVT) LTD - Tuwairqi Steel Mills

Jun 2008 - Jan 2009

- Maintained store equipment/tools inventory records and issued materials according to daily project requirements.
